WHAT THIS RESOURCE COVERS

INTRODUCTION OF 2 TOTALLY DIFFERENT TYPES OF SCREENING CALLS

DIFFERENCES BETWEEN SCREENING CALL/ONLINE INTERVIEW VS IN PERSON INTERVIEW

INTRODUCTION OF 2 TOTALLY DIFFERENT TYPES OF SCREENING CALLS

1. RECRUITER / HR CALL INSIDE THE HIRING COMPANY

- They are not going to be your manager, they are HR doing the screening
- They don't exactly know the details of your role since they are just in HR
- Since they may not understand the technical things of the role, they'd just jot notes from the call
- What are discussed in those calls 📌

A self-introduction

Why do you want to work for the company?

What about the role interests you?

They seldom ask behavioural questions.

They will ask logistical questions, like visa status, graduation timeline, notice period etc

[Want to know exactly how to answer them based on YOUR OWN SITUATION?](#)

[Book a free call here to see how we help](#)

2. RECRUITMENT AGENCY (MIDDLEMAN)

- They aren't an employee inside the hiring company
- They are a middleman hired to just recruit candidates
- They get paid when they are able to find suitable candidates, so efficiency is important for them
- They are usually industry specialised, so they may know more technical details of the job
- The content of the call would be similar to the content with In house HR.
- List of examples: theheadstartmentoring.com/recruitment-agencies-australia

Since they only get paid full amount when the role is hired, they have an incentive to move things quick and finish the job

Be responsive, and ready to move quick.

Including offer to send them your availability right away and your keenness for the role.

You and them are on the same side → to find a suitable candidate to be hired (you)

BONUS TIPS X 3

1. For international Students

When asked about visa status, say you have unlimited work rights (if graduating soon). Don't need to mention the 2 year deadline yet until they ask for more information.

2. You have to create a chance to

Engage in small talk to ask about their day and **extend it into a normal conversation.**

Recruiters call countless people a day and **a lot of candidates just want to sell themselves** and are not interested in actually talking. This is a golden opportunity to be stand out.

3. Prepare AT LEAST 2 questions to ask the recruiters, here is what you can ask:

- Company culture*
- Interview/Recruiting timeline

Bonus tip*: Instead of asking 'What is the company culture' - ask 'What is your experience in the company and it's culture' → Now you asking about how **THEY FEEL** about the company, instead of just about the company

DIFFERENCES BETWEEN SCREENING CALL/ONLINE INTERVIEW VS IN PERSON INTERVIEW

- The core difference is the **existence of human connection**
- To build human connection, be personable and engage in small talk as much as possible
- Recruiters make 20+ calls a day hearing pitches, so actually wanting to talk to them (not just pitch) helps you stand out

How to always make sure there is small talk?

Prepare prepare prepare!

Think:

- Something you did on the weekend (if the Interview is on Monday/Tuesday)
- A hobby you did yesterday(if Interview's on Wednesday) **Bonus points if it overlaps with a hobby you spotted on the interviewer's LinkedIn**
- Something you did this morning, or on your way to the interview
- The weather, if it shifted noticeably

After sharing about yourself, always flip it back: "And how about you?" or "How's your week been?" It gives them a chance to talk and builds rapport before the real questions start.

TO ADVANCE TO THE NEXT STAGE, YOU HAVE TO:

1. Understand the difference of a screening call/online interview vs an In-person interview
2. Progressed 2+ times to the next round from them screening calls
3. You are able to cater your communication depending who you are talking to (HR inside company vs middleman recruiter)

P.S.
